Hi All —

Just a reminder to please review the attached revised document and send your comments to this group by COB November 10.

I've also attached a case study table for your review and input. Please send any comments or edits to the group by Nov. 15.

Bob also reminded me that we had discussed sending these materials to a few folks outside of the Agency before we submit this to a journal. So that step will be worked into the list of next steps in the email below.

Thanks!
